Refund Request: Form

We are dedicated to providing you with the utmost support to ensure you achieve the best possible outcome from the program.

To help you succeed as an online coach, it is important for you to fully engage with the program. If you encounter any challenges or have not completed any of the items listed below, please don't hesitate to reach out to your coach. We are here to assist you and help you get back on track.

*As outlined in clause 7.9 of our Terms and Conditions, agreed to by you, upon purchase of the PropaneBusiness Programme, in order to be eligible for a refund, customers must have fulfilled **all** of the following requirements and submit the refund request within 14 days of purchase. This is so you have the best chance of making progress within the programme.*

A refund is **not automatic.**

You will only be considered for a refund if you have completed every requirement listed in this form.

If not, your refund request will be rejected.

The steps to get a refund are very clearly laid out in the programme materials and outlined in the refund policy which you signed at purchase.

Your CSM is not responsible for guiding you through the refund process.

Please provide evidence below within 48 hours of requesting a refund.
Incomplete engagement or multiple submissions will not be accepted.
Our Team will review your request and inform you of a decision within 14 days of submission.
