Hi William, I'm Phil and i'll be your guide through this for at least the first 12 weeks. Firstly, welcome to Propane, you've made a great decision and i'm here to support you moving forward as well as the rest of the team. I'll send a message next with some first things to do then hopefully we can get your first call sorted very soon

Here's a list of the first steps we need to complete:

- Watch the intro video I sent here
- Post Your Intro – Say hello here
- Watch the *Start Here* section on Circle
- Make a start on the Niche and offer modules in Launchpad and complete any associated exercises in Notion
- Complete Goal Setting in Notion.

Please confirm once you've watched the intro video and we can book our first call, we can arrange that through here.

You 09:21 AM
