

Creating Your Marketing Offer Homework:

Ideal Client: 9-5ers

Challenge: Tired of feeling burnt out, theyre tired of feeling unconfident, theyre tired of feeling unempowered

Transformation: wants to build dream body, wants to build confidence in self, wants to be happy, wants to gain excitement for life

Method: Strength Training, Progressive overload, and tracking macros

I help statement:

I help (ideal client) achieve (specific result):

I help busy 9-5ers build their dream body

Market Research

Ideal Client 1: Susie

Goals: lose weight, so I can look good in the summer, because I want to fit in my dream outfit

Challenges: Doesn't know how to train, they feel stuck with the results they have, and frustrated not knowing how to change that

Motivations: I see my auntie exercise and that inspires me to do the same

Needs: I need accountability, structure, routine

Where are they in their journey and what is their desired situation?: they go to the gym, they eat healthy, but don't dial in to what the body needs. Desired situation is to be dialed in and build dream body
