

DM Opening Message

Reaching out to friends, family, or people you haven't spoken to in a while:

"Hey *insert name*, wanted to check in and see how you're doing! If you don't mind me asking, are you working on any fitness goals right now?"

Polls / Quizzes on Story:

"Hey *insert name*, I saw you replied to my poll asking *insert question*, how's everything been going for you on your fitness journey?"

Responding to a pain point:

"Hey *insert name*, I saw you replied to my poll. What exactly about *insert painpoint* are you struggling with?"

"Hey *insert name*, thank you so much for engaging with my story today! What exactly about *insert painpoint* are you struggling with?"

Fun Poll:

"Hey *insert name*, thank you so much for engaging with my story today. I saw you love *insert relevant topic*. What's your favorite thing about it?"

Responding to Likes and Comments:

"Hey *insert name*, I saw you liked my most recent post about *insert topic*! I appreciate the support, what questions do you have about *topic*, I'd love to help!"

"Hey *insert name*, I saw you like my post! I appreciate the support and would love to help you any way I can. Do you have any questions I can answer for you?"

"Hey *insert name*, I saw you like my post! I appreciate the support and would love to help you any way I can. Are there any topics you would like to see discussed on my page?"

“Hey *insert name*, I saw you like my post! I appreciate the support and would love to help you any way I can. Are you currently working on any fitness goals right now?”

New Followers:

“Hey *insert name*, thank you for the recent follow! If you dont mind me asking, what brought you to my page?”

“Hey *insert name*, thank you for the recent follow! I appreciate the support and would love to help you any way I can. Do you have any fitness questions or anything I can help out with?”

“Hey *insert name*, thank you for the recent follow! I appreciate the support and would love to help you any way I can. Are there any topics you’d like to see discussed on my page?”
