

Daily Business Activity Report

Report Date: January 16, 2026 **Generated:** Thursday, January 16, 2026
Prepared for: Marceau Solutions

Executive Summary

Today marked continued progress in lead generation and nurture sequence automation. The SMS outreach campaign from January 15 is now generating responses, with one qualified lead (Jane Fitness from FitGym Naples) entering the automated nurture sequence. Follow-up activities are progressing as planned.

v	
In Nurture Sequence:	1

Today's Activity Summary

Activity	Count
SMS Sent	1
SMS Replies Processed	0 new
New Form Submissions	0
Nurture Emails Sent	0
Follow-ups Scheduled	1

7. Action Items & Follow-Ups

Immediate (Today/Tomorrow)

- ☐ Monitor Jane Fitness response to follow-up SMS
- ☐ Prepare for potential call with FitGym Naples
- ☐ Review opt-out feedback for campaign improvements

This Week

- ☐ Plan Wave 2 SMS campaign with refined targeting
- ☐ Improve lead scoring to filter businesses with websites
- ☐ Consider alternative verticals beyond fitness

Campaign Optimization Notes

Learnings from Wave 1: 1. 14.3% opt-out rate indicates need for better pre-qualification 2. Several businesses noted they already have websites 3. Consider adding website check before SMS outreach 4. Some numbers have auto-responders (D1 Training, CrossFit Naples)

8. System Health
